GAG SUPPLEMENT

Hey! Thought I'd better enclose a little letter to explain some things.

Some of the plugs for the FUN CLUB in various bulletins, although much appreciated, were somewhat misleading - mainly in making it sound like an actual "Fan Club". I asked for (and received) permission from Missy Hyatt to do the FUN CLUB one time only. IT IS NOT AN OFFICIAL FAN CLUB! It was done as a tribute to one of my fave wrestling personalities as somewhat of a parody of a "teen" magazine, such as TIGER BEAT or TEEN MACHINE. It was very expensive (professional printing, type-setting, and postage isn't cheap!) and time consuming to produce, and although I'm very pleased at how it turned out, my future publishing endeavours will be limited to my "bulletin" - GAG.

That brings us to one more item to clear up. GAG is free of charge, with a very limited circulation, mainly because of its somewhat controversial contents and the fact that I refuse to be tied down into having to put it out on a regular basis. Therefore, at this time, I cannot accept any money for it nor can I add any names to my mailing list. However, a newsletter mistakenly plugged GAG, and to those of you who sent me money for it, a full refund is enclosed. Sorry for the inconvenience.

Guess that's it - hope this sets things straight. Hope you enjoy the FUN CLUB!
